

SLIDERS

Datasets

	Dataset	URL	Domain	Type	Details	Motivation	Score
1	Geo-Fossils I	https://zenodo.org/records/7510741	Fossils		6 classes - 200 images per class		
2	Fossil Image Dataset (FID)	https://github.com/XiaokangLiuCUG/Fossil_Image_Dataset	Fossils		415k images, I don't think they have any info attached - Needs permission for downloading		
3	CIRCO	https://github.com/miccunifi/CIRCO	General	CIR	Based on COCO 2017, contains 1023 queries	CIR is an established task, we could think something to compare with it	

4	COLA	https://github.com/arijitray/1993/COLA	General	CIR	Similar to CIRCO, but based on localization		
5	MT-CIR	https://huggingface.co/datasets/chuonghm/MT-CIR	General	CIR	Multi text CIR		
6	GPR1200	https://www.kaggle.com/datasets/mathurinache/gpr1200-dataset	General	Retrieval	1200 categories, 10 class examples, 12K images.	We could use a subset of it	
7	PlantVillage	https://github.com/spMohanty/PlantVillage-Dataset	Agriculture	Classification	54K images, 14 crop species, 26 diseases.	Plant can show different features hard to explain in words	
8	Chinese Pun Rebus Art Dataset	Repo Paper	Ceramics	Captioning	1K captioned images	Symbolic/metaphorical description of Chinese representations	High
9	Chinese Ceramics	https://www.cidb.cn/en/detail?datasetId=a1e2750b72244908a2742ecbe548de80	Ceramics	Captioning	4,5K images with captions in English covering a variety of ceramic categories (i.e., teacups, dishes, statues)	Whole or broken ceramics, in different colors or decorations	Medium
10	MolCap	https://huggingface.co/datasets/UniParser/MolCap	Molecules	Captioning	321K		Medium
11	PlantVillage	https://zenodo.org/records/1204914	Plants	Classification		Different leaf types, whether healthy or not	Don't know

12	Healthy vs. Diseased Leaf Image Dataset	https://www.kaggle.com/datasets/amandam1/healthy-vs-diseased-leaf-image-dataset?select=A+Database+of+Leaf+Images	Plants	Classification		Different leaf types, whether healthy or not	Don't know
13	House Plant Species	https://www.kaggle.com/datasets/kacpergregorowicz/house-plant-species	Plants	Classification	14,790 images - 47 classes	Both plants and flowers	Don't know
14	Sea Animals Image Dataset	https://www.kaggle.com/datasets/vencerlanz09/sea-animals-image-dataset	Animals	Classification	23 classes	Most animals live underwater, so there is less variability in terms of image colors. Animals vary in size and color.	Medium

Ideas

- VLM2Vec potrebbe essere un encoder da utilizzare in questo contesto per includere i dataset CIR
- Concept Bottleneck Models con concetti predefiniti, ma con prompt visuali piuttosto che testo
- DINOv3 patch embedding SAE
